## [Ask the Dallas Section Chair, Fred Martin](#)

Welcome to the Dallas Section American Society for Quality website! My name is Fred Martin and I am the Dallas Section Chair. We hope our website is easy for you to navigate to find the information you need. Our goal is to provide timely and accurate updates to keep you informed of the events in the Dallas Section. I am happy to answer any questions you might have about the Dallas Section. Please send me an e-mail at [Frederick.martin@lmco.com](mailto:Frederick.martin@lmco.com)

I joined ASQ and the Dallas Section almost 20 years ago. I have served as the Dallas ASQ Chair Elect and served as ASQ Conference Chair. I am currently employed at Lockheed Martin as a Sr. Quality Manager. My former roles and employers include: Director of Quality at Stoneworkz (Granite Products Manufacturer), Director of Quality at Substrate Technologies (Ball Grid Arrays Manufacturer), and Regional Technical Director at Sherwin Williams (Coatings Manufacturer). I have a Bachelors Degree in Chemistry from the University of Texas at Austin and Masters Degree in Business from Amber University. I am a Certified Six Sigma Black Belt and an ASQ Certified Quality Engineer. I'm also a Member of the Project Management Institute.

If you would like to volunteer to assist the Dallas Section ASQ to achieve our vision, please consider joining our team. There are several volunteer opportunities and we are dedicated to defining roles and responsibilities to meet your demanding schedules.

**Our Vision** in the Dallas ASQ Section 1402 is to be the leader of quality and performance excellence for the Dallas area.

**Our Mission** is to provide the information, forums, certifications, and networking that enhance members' value.

The Dallas Section ASQ Leadership Team is dedicated to increasing the value received by our members and volunteers. From September through May, we offer a monthly forum for networking and sharing best practices. We look forward to seeing you at the Professional Development dinner meeting, hosted at the Holiday Inn Select Richardson (on Central Exp. and Campbell). In addition, we support several special interest groups. There are several educational opportunities, as well as becoming certified.

We are here to serve your needs. If there is anything you need assistance with or have a question about, please drop me an e-mail at [Frederick.martin@lmco.com](mailto:Frederick.martin@lmco.com)
